24 x Genuine Epson I3200 A1 heads

24 x staggered Epson I3200 print heads deliver unparalleled productivity and high print quality. Unique designed head mounting plate for quick setup and calibration.

GZ Variable Dot Technology

GZ Variable Dot Technology delivers flawless skin tone, smoother gradient, crisp text and intricate detail without compromising speed.

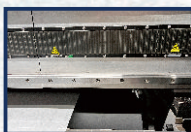

Auto Capping & Wiping System

Self-developed auto capping station with particular Slant-Wiper save head maintenance time and max extends head life.

Industrial Myriameter Media Handle System

Industrial heavy-duty media handling system with unique stretchable rubber roll assures precise unwinding and rewinding for up to 1000mm roll diameter, perfectly fit for low gram and jumbo roll paper.

Rubber Rollers & Magnetic Linear Motor System

Rubber rollers ensure wrinkle-free and accurate media delivery. Magnetic Linear Motor System & metal grating for low noise and precise printing.

Big Volume Ink Supply System

25-Liter large capacity ink tanks enables big volume & high speed output, reducing ink replenish time and long-time unattended operation.
