4x Epson I3200 A1 Heads

4x staggered Epson I3200 print Heads deliver unparalleled productivity and high print quality. Optimized print head mounting plate for compact design and quick setup.

GZ Variable Dot Technology

GZ Varible Dot Technology delivers flawless skin tone,smoother gradient, crisp text and intricate detail without compromising speed.

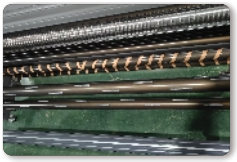

Auto Capping& Wipping System

Well-designed Capping& Wipping System saves print head maintenance time. It ensures excellent printing quality and high productivity.

Intelligent Printing Platform

Traversing slots for collecting excess ink to prevent ink from lubricating while moving the canvas, contaminating the table and shedding ink as it rolls the material onto the reel.

Unique Media Handling System

The self-developed feeding and rewinding system can handle both none stretchable and selected stretchable fabric perfectly.

Unique Pinch Roller System

One button controlled electric driver pinch roller system for convenient operating; and three-level tension adjustable pinch rolls perfectly match different thickness paper.
